Escalation of complaints

ReNu Energy seeks to resolve any complaints directly but if, after a period of time, the complaint remains unresolved, you may escalate your matter externally. You can request that it be referred for mediation to the Resolution Institute, Australia, or any successor body. If this occurs then both you and ReNu Energy must agree to abide by the mediation rules of the Resolution Institute, or successor body.

Note: In all other states and territories, energy customers in embedded networks can only contact their ombudsman if they buy their energy from an authorised retailer.
