

ASX Announcement

29 January 2021

December 2020 quarterly activities report

Highlights

- Long lead items for the Cooper Basin remediation are in transit to Australia and field work has been completed to prepare the well sites for the arrival of the workover rig. The remediation program is planned to commence in March 2021 and take approximately one month to complete.
- Cash holdings at 30 September 2020 are \$2.4 million.
- ReNu Energy continues to progress the assessment of M&A opportunities, including a number in the renewable and cleantech sectors. Some proposals have progressed beyond the Company's preliminary screening to more advanced discussions and evaluation.

Coinciding with the release of its December 2020 quarterly cash flow report, ReNu Energy Limited (**ReNu Energy**) (**ASX: RNE**) is pleased to provide an update on its recent activities.

Cooper Basin remediation

Progress continued during the December 2020 quarter toward the abandonment of the two remaining geothermal wells and surrender of the GRL3 geothermal tenement located in the South Australian Cooper Basin.

Some long lead items required for the activities are in transit to Australia and field work has been completed to prepare the well sites for arrival of the workover rig. Pending final approvals and the completion of commercial arrangements it is expected that the program of work will commence in March. The well abandonment activities are expected to take approximately one month to complete.

Corporate

ReNu Energy has \$2,400,000 in cash reserves at 31 December 2020, a decrease of \$49,000 from the cash position at 30 June 2020. Cash reserves have been boosted during January 2021 following the receipt of a \$180,000 R&D tax offset from the Australian Taxation Office. Cash outflows for the December 2020 quarter related to remediation activities and corporate costs.

ReNu Energy is continuing to identify and assess new projects, corporate combinations and acquisition opportunities in cooperation with its financial advisor, KPMG Corporate Finance. ReNu Energy has reviewed a number of opportunities in the renewable and cleantech sectors, including proposals which have progressed beyond the Company's preliminary screening to more advanced discussions and evaluation. ReNu Energy will continue to evaluate proposals and update the market as these initiatives progress.

Change of Company Secretary

ReNu Energy wishes to advise that Jillian Bell has tendered her resignation. Jillian's resignation as Company Secretary is effective today. Greg Watson has been reappointed Company Secretary effective today. Greg held the Company Secretary role from 10 September 2019 to 30 October 2020. ReNu Energy Chairman, Boyd White said: "I wish to thank Jillian for her important and valuable contribution in managing the Company's finance function since March 2020".

This market announcement has been authorised for release to the ASX by the Board of Directors.
